## WELCOME ANNE, NEW CEO!

The people of the CRCC community are inspiring me daily. The parents, the children, the staff, and the supporters from our community are made up of an incredible group of individuals. Having the opportunity to help write the next chapter of this story is exciting and rewarding.

Through compassion, dedication, innovation, and collaboration, we ensure our children have their needs met in all facets of who they are. I believe it is my responsibility to help connect people and causes in order to bring a voice to those in our community that too frequently are not heard. I am looking forward to being an ambassador for the children and families at CRCC.

My passion for positively impacting the lives of children, and commitment to helping them reach their maximum potential in life, are at the core of who I am. Working with children and families for almost 20 years, I am familiar with the wonderful care and support provided by the CRCC. I am humbled by the opportunity to be leading this tremendous organization.

There are many opportunities to build on the solid foundation that has been set, and I am looking forward to working hard to make our dreams a reality... Together, we can do anything!

Sincerely,

A handwritten signature in cursive script that reads "Anne".

# Therapy Happenings

## Superstars of the Month!

Zander is a quiet, sweet natured little boy who loves to snuggle! Zander is persistent in his therapy and is making continuous progress in feeding and swallowing! He always brings a smile to our faces and we are so excited to see how far Zander will go in life! Keep up the good work!

Jessa is a cheerful, energetic 3 year old who has progressed in all aspects of her therapy! She works extremely hard to achieve her goals and has lots of fun doing it! She is now walking with a gait trainer, with the assist of her therapist! After recently getting glasses, she is much more engaged in her environment and loves to hold her head up to look around. Jessa is a joy to everyone!

When you work with CRCC, you are what makes the difference in the lives of kids like Zander and Jessa !

We are now seeking applicants for Full or Part time positions in Physical, Occupational, and Speech therapy! Apply online and get more info at [crccomaha.org](http://crccomaha.org)
