## A Note From Leadership...

It has been a wonderful year at CRCC! I want to express my heartfelt thanks to all of you for the amazing support you have given to help us provide joy, hope, and health to over 500 children in our community. Over the last year, we experienced some incredible achievements: CARF accreditation, re-branding, strategic planning, completion of our Capacity Building Initiative to provide improved employee benefits and better technology, and new community partners that have allowed us to serve more children and adolescents in our community. As we look toward the future, CRCC remains focused on providing integrated care to help each child achieve their individual potential.
