

School-Based Mental Health Therapist

CRCC is looking for a dedicated, qualified Full-Time School-Based Mental Health Therapist to work within our partnering school districts and center locations. This person will be responsible for providing individual, family and group therapy to assigned clients in school-based and outpatient settings.

CRCC Mission and Values

CRCC is a local non-profit organization dedicated to providing comprehensive and specialized services to children to help them reach their highest potential. CRCC values quality care for children, family involvement, and staff excellence. CRCC's work environment is energetic and team-oriented. CRCC has partnered with local school districts to offer mental health services during the school day at school sites. This position not only offers the opportunity to be part of the growing CRCC team, but also allows for teamwork and collaboration within the schools where services are provided.

Essential Functions/Responsibilities

- Provides direct mental health services, individual/family/group therapy, to include initial diagnostic interview and assessment and crisis interventions to assigned clients to meet their emotional and developmental needs.
- Therapist caseload for school-based clients will consist of students grades 7-12 and outpatient clinic clients ages 3-21.
- Therapist will be available to clients and will schedule sessions with consideration of academic schedules including consideration of sports, activities, and club responsibilities.
- Creates and implements treatment plans that are developmentally appropriate, strength-based, skill-oriented, and family-driven.
- Works collaboratively with parents/guardians, staff members, and members of the client's treatment team.
- Provides consultation services to the school staff to support the overall mental health goals of the school and client as appropriate and as needed.
- Adheres to the policies, procedures, and regulations by governing and licensing bodies for the services being delivered.
- Maintains appropriate boundaries and confidentiality with clients and families.
- Travel will be required. The ability to conduct TeleHealth sessions will be required.

Minimum Qualifications

- Licensed as an Independent Mental Health Practitioner (LIMHP), Mental Health Practitioner (LMHP) or provisionally licensed mental health practitioner (PLMHP) in the state of Nebraska.
- Clinical experience working with youth and families preferred.
- Ability to meet agency's conditions of employment regarding health status and clearance with the Nebraska Child Abuse/Neglect Central Registry, criminal history check, and various other agencies depending on specific job responsibilities.
- Ability to write material in comprehensive form.
- Knowledge of community resources.

Benefits

CRCC offers an Excellent Benefit Package for full-time employees.

- Health insurance

- Dental insurance
- Vision insurance
- CRCC-paid short & long term disability and life insurance
- PTO and Holiday pay
- 401k with match
