

Tech Tools Lending Library Catalog

CRCC

Introduction:

Play is an essential component of growing up. As children engage in play, they practice and master specific physical, psycho-social, emotional, and creative skills necessary for understanding and interacting with the world around them. The **Tech Tools Lending Library** allows children of all abilities to explore the world of play.

The Tech Tools Lending Library is a unique program offered through a collaboration of CRCC and the United Cerebral Palsy of Nebraska. The library consists of sophisticated augmentative technology and devices for special needs children and adolescents. These adapted toys and devices are loaned to children, families, and professionals at no cost.

This catalog is meant to help you find a tool that will specifically help your child/children. In this catalog, you will find a description and picture of each item in the library at CRCC. Listed below are the categories and generalized types of Tech Tools:
