

Bellevue School Age Extended Care Nurse Part-time and Full-time Opportunities Available!

At CRCC we provide comprehensive services and family support for children who are impairment-impacted and have special medical, developmental and cognitive needs – services that evoke maximum potential and foster the development of intellectual and social competence.

This position is located in Bellevue at Logan Middle School. Hours are approximately 6:30am – 9:00am and 3:00pm – 6:00pm. We have full-time and part-time opportunities. For those looking for full-time hours, additional hours may be completed on-site at one of our two Omaha Centers.

This is an excellent opportunity for those looking to pick up early morning or late afternoon hours.

General Duties:

The CRCC Before and After school Nurse maintains standards of professional nursing practice in the home care setting, in a school setting and/or in the center setting under the direction of the Clinical Care Coordinator. They are responsible for assessing and providing care within the scope of their educational preparation and knowledge; permitted by the policies and procedures of CRCC and permitted by local, state and federal guidelines.

Essential Functions: (May vary by setting and/or client)

- Responsible for providing nursing care through all phases of care taking into consideration age and developmental needs
- Collaborate and support plan of care as determined by the physician and healthcare team; treat client accordingly as approved by the physician. Performs periodic re-evaluation of the client as necessary, and makes adjustments as needed.
- Provide treatment to clients per protocols
- Perform on-going periodic assessment and data collection in a systematic manner, focusing on psychological, psychosocial, cultural and cognitive status, nutrition, pain, patient/family education, equipment needs, etc
- Counsels the client and family in meeting nursing and related needs
- Documents all cares provided, including nursing interventions and care coordination per CRCC documentation policy.
- Notifies client's physician and guardians of significant changes in a timely manner
- Effectively plans, organizes, sets priorities and completes work assignments with minimum direct supervision and within established time frames as directed on the client's plan of care
- Delegates to other staff members as appropriate with professionalism and according to scope of practice
- Accepts only assignments for which they are qualified
- Verbalizes knowledge and purpose of patient rights and responsibilities
- Complies with all CRCC policies and procedures
- Communicates as needed with the Clinical Care Coordinator with any needs or concerns

- Assists in the maintenance of a safe environment and reports accidents, incidents or potential hazardous conditions to the Clinical Care Coordinator.

Minimum Requirements:

- Education: Graduate of an accredited School of Nursing
- Licensing: Licensed to practice as a Registered Nurse or Licensed Practical Nurse with an active Nebraska license
- Training and Experience: 1 Year of current pediatric experience preferred
- Maintenance of current CPR certification
- Educated on and compliant with HIPAA regulations, maintains strict confidentiality of client information
- Complies with Infection Control, Standard Precautions and OSHA standards for the healthcare profession
- Ability to wear personal protective equipment (face mask, goggles, gloves) as needed
- Ability to read, write and effectively communicate
- Able to meet agency's conditions of employment regarding health status and clearance with the Nebraska Child Abuse/Neglect Central Registry and/or Adult Abuse/Neglect Registry and the Omaha Police Department.
- Able to lift up to fifty pounds
